

Start of Season Checklist 2025-2026

Getting ready for the start of the netball season can be pretty busy and we're sure there are thousands of 'to do' lists up and down the country to make sure another season filled with netball in your club runs smoothly.

To help, we've created a quick checklist. Most of it, you will no doubt already have in place, but just in case things have expired or need a little tweek, it's worth a check through to make sure you can relax knowing that you've got the essentials in place.

Please check and update your club contact information is up to date to ensure you receive all essential communications.

Safeguarding	Your Club Safeguarding Officer should... · Have in date Time to Listen training and DBS check · Have their role allocated on ENgage · Ensure club members know who they are	QUICK LINK
Risk Management	To manage risk you should have... · A copy of your venue risk assessment · A risk assessment checklist ready for each netball session · An accident/injury management process	QUICK LINK
Qualifications	Is everyone with a role in your club appropriately qualified? · Do your lead coach(es) have a Level 2 or 3 coaching qualification? · Do your coaches and umpires/officials have up to date qualifications? · Do your first aiders have in date qualifications? · Have you checked who needs a DBS and if they are in date?	QUICK LINK
GETTING READY TO PLAY		
Membership	Have you made your membership checks for 2025-2026 and allocated roles? · Do all those who play an on court role have an active 2025-2026 members? · Have you assigned the mandatory club roles on ENgage?	QUICK LINK
